HOW TO ENDURE

HEBREWS 12:4-13

SCRIPTURE STUDY

Before you begin: *Open with prayer and spend a minute or two in silence before God. Have multiple people ask the Holy Spirit to enter your time together and illuminate your hearts and minds to scripture.*

- Have someone read the passages in their entirety aloud. As a group, summarize the passage, and as you do so, note any observations, questions, and exciting insights you found while reading through the text. What jumped out at you? What was something you noticed now that you didn't see before?
- What do you think causes us to forget our identity as children of God when we are undergoing a painful trial?
- What is the discipline of the Lord? What warrants us to receive discipline from God? How is this loving?
- How did you receive discipline growing up as a child? How has this shaped your view on Godly discipline?
- Meditate on verse 11. What is the fruit of righteousness that is produced through a lifetime of discipline?
- How might we find strength in God as well as hope and healing during seasons of discipline?
